ABOUT ME

I'm a passionate Graphic and UI/UX Designer with three years of experience, skilled in creating engaging designs that prioritize user experiences. Proficient in industry-standard tools like Adobe Creative Suite, Sketch, and Figma, I've excelled in crafting interactive interfaces and captivating digital experiences. With expertise in video editing, proficiency in Microsoft Office, and knowledge in web development (HTML, CSS, Bootstrap, etc.), I aspire to leverage my skills for positive change through design..
